

# Md Al Amin

Frontend Developer

aamin1103@gmail.com | +8801759338960

## Summary

I'm a passionate Frontend React Developer proficient in creating dynamic and responsive user interfaces. I bring a keen eye for detail and commitment to delivering exceptional user experiences. Passionate about clean code, usability and staying abreast of industry trends. Let's build engaging web solutions together!

## Experience

### Shanta Denims Ltd. (Dewhirst Group)

01.10.2009 to Present

Asst. Manager, Testing Lab

#### Responsibility

Arrange Lab Accreditation for Puma, M&S, Next etc.  
Arrange Equipment calibration & Technician Training.  
Communicate with UK Technical team & outside Clint.

## Featured Project

### Orebi eCommerce Platform

React js

Tailwind Css

Redux Toolkit

It's a e-commerce Platform. Major platform features include - create dynamic product details, implement Api, create componets, implement react hooks, javascript function and many more.

#### More Challenges

- Some topics of Javascript
- Dynamic components of some part
- Connecting Dynamic componets to other parts
- Implementing redux
